Director, FMSAC

**SUBJECT:** DD/S&T Briefing of NSA Senior Officers

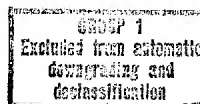

**REFERENCE:** Memo to addressees from Action Staff,  
dated 23 June 1965, Same Subject

1. As you know, the briefing scheduled to be given at NSA on 7 July was rescheduled to 28 July. The format for this presentation has been changed from that originally planned (See Ref.) because of the large size of the audience (200) and the fact that few questions have been asked of previous speakers at these briefings.

2. Dr. Wheelon will talk on organization and functions of DD/S&T from 0930-1015 after which there will be a 15-minute break. Each of the addressees will then present a short talk of 10-15 minutes duration on the functions of his Office, particularly as they may relate to NSA activities. A schedule is attached.

3. The session will start at 0930 in the NSA auditorium. Transportation will be provided from the Main Entrance at 0815. At that time of morning the trip should take about 45 minutes. There must be an allowance for a 15-minute visit with General Carter prior to the start of the briefing. We understand that General Carter plans to invite the DD/S&T party to stay on for lunch.
